CAREER SUMMARY

Results-driven **MCA Graduate & Python Developer** specializing in **Python development**. Experienced in **building scalable, data-driven applications**, with hands-on expertise in modern frameworks (Streamlit), data manipulation (OpenCV, face_recognition), and database integration. Adept at applying software development lifecycle principles to deliver high-quality, efficient solutions in team-based Agile environment

TECHNICAL SKILLS

Programming Languages: Python, Java

Web Development: HTML5, CSS3

Databases: MySQL, PostgreSQL

Tools & Version Control: Git, GitHub

Frameworks & Libraries: Streamlit, OpenCV, face_recognition

Core Skills: Object-Oriented Programming (OOP), Agile Methodologies

EDUCATION

Master of Computer Applications (MCA) – Netaji Subhash Engineering College, Kolkata (2023–2025)

B.Sc. in Information Technology – Patliputra University, Patna (2020–2023) | 70.67%

Higher Secondary (XII) – K.S.T College, Nalanda (2019) | 74.40%

Secondary School (X) – S.A.M Secondary School, Bihar Sharif (2017) | CGPA: 10.0

PROJECTS

AI-Powered Smart Attendance System (Face Recognition):

- Engineered an automated system using **Python, OpenCV, PostgreSQL, Streamlit**.
- Reduced attendance processing time by **80%** and eliminated manual entry errors.

Responsive Personal Portfolio Website:

- Developed a **mobile-first portfolio** to showcase skills and projects.
- Integrated **contact form & project gallery**, boosting engagement.

Interactive Quiz App:

- Built a **dynamic quiz platform** with real-time feedback and score analytics.
- Implemented **multi-topic support & performance review dashboard**.

INTERNSHIP

Data Science Intern (AICTE & MSME Certified):

- Conducted **data cleaning, analysis, and visualization** on large datasets.
- Applied **Python and statistical techniques** to deliver actionable insights.

CERTIFICATIONS

Google IT Support Certificate – Coursera (2024)

KEY SOFT SKILLS

Problem-Solving • Teamwork • Communication • Adaptability • Analytical Thinking
